

It is nearly time for Banango Traders, Let's prepare you for the BIG day...

IMPORTANT:

1. THE VENUE SHOULD BE SET UP THE DAY **BEFORE** THE EVENT, TO AVOID ANY GREMLINS SPOILING THE FUN OF THE EVENT. The set-up is crucial as it can ROB us from time to have fun and learn simultaneously.
2. THERE WILL BE A VIDEO PLAYED, PLEASE ENSURE THERE IS SOME SOUND FOR THIS VIDEO.
3. THE PRESENTER WILL NEED A MICROPHONE AND DATA PROJECTOR SET UP AT THE **FRONT OF THE HALL**. Setting it up from the back will be a facilitation nightmare. Microphone are only needed for 50 students +
4. AN EXTENSION CORD MAY ALSO BE REQUIRED FOR THE LAPTOP.
5. **LEARNERS MUST BE REMINDED TO BRING STATIONERY, CALCULATORS AND NOTEBOOKS/TEXTBOOKS.**
6. **PLEASE NOTE:** The workshop takes 6-7 hours. It is the responsibility of the school/company to ensure that enough time is allocated for the workshop. Banango Traders will not be held responsible for incomplete tasks due to a late start load: shedding or other interruptions during the workshops.

Must have access to a power point here, perhaps with an extension cord, to plug in laptop & printer.
